

ECSW Synod Assembly

Service Project

BLAST OFF FOR BOOKS

Purchase a book for a child in need.

Help the National Youth Gathering collect

100,000 books

for students Pre-K through 6th grade in Houston.

Here are three ways you can help “fuel our rocket”: By choosing one of these three ways, you will help get books into the hands of children who desperately need reading materials. In addition, it will help ease the logistics of getting the books down to Houston and minimize shipping costs.

- 1) **Order directly from Amazon.** Here is the link to connect to the Amazon site. Please choose shipping directly to the ELCA site;
<http://www.elca.org/YouthGathering/details/offerings>
- 2) Print a copy of your Amazon order and bring it to Synod Assembly to help us “fuel our rocket”!
- 3) Purchase an Amazon gift card or certificate to purchase books.
- 4) Give cash or write a check payable to your congregation (memo: Blast off for Books)

There will be a rocket at Synod Assembly showing how you and your congregation added “fuel”, and watch us BLAST OFF FOR BOOKS!
