*World Hunger and Third World Development Issues Resource Person

Note: Our task force is a “grass-root” effort by various congregations and individuals—all volunteers. The people on this list have agreed to serve as communicators and liaisons. However, all our meetings are open and other interested people attend. We meet 5-6 times a year in various churches, our camps or synod office in Appleton.

We welcome you and others to join us as we encourage our Companion Synod relationship and Global Mission of ELCA.
