Rethinking Heaven, the Resurrection, and the Mission of the Church

What do the resurrection of Jesus, his second coming, the Judgment, and the new creation have to say about our hope as Christians? Usually we think about that hope in terms of "heaven." But renowned New Testament scholar and teacher, N. T. Wright, says there is so much more to it than that. He leads us through a study of New Testament texts, in which we will constantly be "Surprised by Hope," as it transforms our personal faith and reshapes and revitalizes the mission of the Church. Join us as we read and discuss N. T. Wright's book, "Surprised By Hope: Rethinking Heaven, the Resurrection, and the Mission of the Church."
