

Talk about Mission . . . Here is a Creative and Unique way one church in our synod decided to make themselves known in the community!!

Our Savior's Lutheran Church in Neenah entered a float in the Community Fest Parade of Lights on Sunday, July 3. One of our statements we advertise when entering our church, A Place to Belong, turned into the theme for our float, **"A Place to Bee-long"**. The synod Resource Center gave us the idea for the hive and loaned us the bee balloons. A great team of volunteers put together the trellis of flowers and provided a lighted bench for the beekeepers. Busy bees walked along side to the music, "Flight of the Bumblebees", distributing Bit-O-Honey candy with a card inviting kids to VBS, "get the buzz" at our website, or just stop by for a visit. We were truly blessed to receive first place in the non-profit float category. A great time was had by all of the families involved.
