

Great Early Risers Tradition - Krumkake Making with Home Deliveries to follow!

The women in the 6 a.m. Early Risers Bible Study at First English Lutheran Church, Appleton meet weekly for study, coffee and fellowship. On December 5, they continued the yearly tradition of baking Krumkake, a Norwegian cookie, and packaging them in festive Christmas colors for delivery to homebound members or church neighbors. Annette Ford, the facilitator, and all the women have developed wonderful Christian bonds of support over the years as Early Risers. What a wonderful way to reach out to your homebound members as well as your outside community!
