

Hope For All – Esperanza para Todos

2132 Deckner Avenue; Green Bay, WI 54302

We are a **multicultural ministry** that is housed within Atonement Lutheran Church. Hope for all **worshiping community** is a direct reflection of the diverse **neighborhood** we are located in, creating an environment where all people will **feel welcome** and comfortable worshipping. We are **loving our neighbor** no matter how different, how diverse, and how unlike us they are. Our neighborhood around Atonement Lutheran church has dramatically changed and it will continue to change as the percentage of **diverse** groups goes up in future years. God did not instruct us to only worship with people like us but to love ALL of the world's people. This is our attempt to open our doors to those of different backgrounds, meet their needs, and show them that **the love of God is color blind.**
