

Our Saturday, September 14th commemoration of the 25th anniversary of the ELCA was a fun and successful morning as 50 + members of Trinity (Stevens Point), Redeemer (Stevens Point) and Good Shepherd Lutheran (Plover) joined together for a time of worship before spreading out to serve throughout the community.

Close to 200 free houseplants were distributed to University of Wisconsin-Stevens Point students at the Debot University Center, along with information about our faith communities. More than 20 cars (and one trailer) were washed in our "Free Car Wash" in Trinity's parking lot, raising \$300 in donations to benefit Portage County's Interfaith Food Pantry. Numerous quilts for Lutheran World Relief were created by those in Fellowship Hall and volunteers cleaned up K.A.S.H. and the surrounding parks along the Wisconsin River. Thanks to all who came out to serve together, purchased and wore those bright yellow shirts and lived out our faith by doing God's work with our hands.
