Head Chaperone (for entire delegation)

Instructions:

- Please type or print the name of each participant according to chaperone and gender group. **All groups must have one adult chaperone (21 years of age or older*) for each group of 5 youth of the same gender.**
- You may share adult chaperones with other groups (i.e. 2 male youth from church X and 3 male youth from church Y with one adult chaperone from church X). It is the responsibility of the Head Chaperone to arrange "chaperone sharing" and these groups should register together as one group on one Gathering Housing Payment Form.
- If a chaperone older than 21 is not available, please contact the Registrar or Youth Committee Chairperson to discuss alternative options that may be available to your group.
- The Synod Board CANNOT be responsible for un-supervised participants. Congregations will assume ALL responsibility (property, financial, etc.) for their group throughout the entire gathering.
